

JAPANESE BRAND NEW CAR SUPPLY

25 years experience & dealer relationship

New cars make you & us special.

- Now a days, auction purchasing is quite common and very easy sourcing for most of the export companies.. So that you would not difference for the service and product
- But Fujiyama Trading Ltd is always try to be the different, because we would like you to be the different as well in order to be unique in the competitive market
- Since the brand new car supplies are limited so that only limited companies can do this business.

All brand & all makes from Japan

- We can supply any model, any make and any cars from Japanese local market for brand new.
- Not only Japanese cars but we can do European and US brand cars as well
- All products are JAPANESE DOMESTIC SPECIFICATION
- Right Hand Drive model only beside some import model.
- Navigation & Radio frequency are based on domestic spec.
